Boy and Girls Club- Sierra Vista

The Club is relaunching in Stockton at the newly renovated building in the Sierra Vista Neighborhood. Our class goal is to furnish and enhance the education and recreation space inside and outside. This will include a technology hub, art center, and additional educational activities. The brand new outdoor sporting area will provide athletic interaction. This club will serve 125 elementary and teen aged youth per day.

Children's Home of Stockton- Catalyst Program

The Catalyst Transitional Housing Program houses homeless youth 18-24 years of age. Youth learn valuable life skills and tools to help them move into permanent stable housing. Our class goal is to provide the facility with a much needed outdoor recreation and relaxation area. This will include providing landscaping, a gazebo structure, firepit, mural as well as outdoor games and activities.

Children's Home of Stockton

Haven of Peace

Haven of Peace provides shelter and resources for women and children who have experienced domestic violence, homelessness or other life-changing circumstances. Services include housing, job preparation, parenting classes, food and nutrition etc. The food storage warehouse needs an updated HVAC system to provide better climate control. Our class goal is to provide assistance and training in researching funding opportunities and grant writing.
